TEECA East Code of Conduct

As educators and future educators, it is essential that we are mindful of the fact that we have chosen a vocation that calls on us to, among other things, be mindful of the safety and well-being of others. In the spirit of this calling, we ask that all TEECA East participants work together to create an appropriate conference environment.

It is the policy of the 2019 TEECA Eastern Regional Conference that all participants - including students, advisors, staff, guests, vendors, and volunteers - will endorse and abide by this code of conduct, to ensure a welcoming, safe, and positive experience for all.

Technology	Tanner Huffman	Phil Reed; Brian Matthews
Transportation	Brandt Hutzel	Wayne Whitfield; Len Litowitz

TEECA East 2019 is dedicated to:

Laura Hummell

Laura Hummell of the Pennsylvania Department of Education passed away on December 8th after being the victim of a hit and run.

Laura worked in education for over 30 years, including positions at the PA Department of Education and California University of Pennsylvania. She was also very involved in STEM and Technology Education organizations including ITEEA.

Laura is deeply missed by her family, friends and all of her students; her impact will never be forgotten.

"Education is not the filling of a pail, but the lighting of a fire."

- William Butler Yeats

Friday, November 8, 2019 (continued)
